MED-VIEW AIRLINE PLC EXPANDS SERVICES TO FRANCOPHONE COUNTRIES & DUBAI

Following the acquisition of a new B737-800 Aircraft, Med-View Airline Plc., is expanding her operations in the West Coast Region with the inaugural flights to Abidjan, Conakry and Dakar.

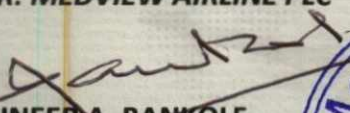

These new destinations are in addition to the earlier Anglophone Countries like, Accra, Monrovia, and Freetown, increasing our destination in the West Coast to Six (6). The inaugural flight for the new Francophone routes is schedule for October 27th, 2017.

Also the Dubai operation is scheduled to commence by December, 2017.

Med-View Airline Plc., in her quest to expand and improve on its International/Intercontinental flights operations, recently acquired a modern Aircraft B777-200ER.

Thank you.
