

Lagos, Nigeria; 23 September 2019

CWG Plc: Notification to the Nigerian Stock Exchange on the Fire Incident at one of the CWG Plc Lekki Phase 1 Office Premises.

On the morning of 23rd of September, 2019, a fire broke out within one of the premises of CWG Plc; located at Lekki Phase 1, around 10:30am. The building affected currently serves as a storage unit for the location; with few personnel operating there.

Immediate action to contain the fire was undertaken, as staff in adjoining premises were safely evacuated. The eventual containment of the fire was achieved when Officers of the Fire Service Units arrived at the scene, ensuring the confinement of same, to avoid damage to other surrounding structures.

There was some level of material loss with the building; thankfully, no injury or loss of lives were recorded as a result of this incident, we do not at present anticipate any major material impact to our numbers.

Whilst we wait on the official investigation to the cause of the fire, we wish to express our immense appreciation to our Staff, neighbouring community and indeed the dedicated men of the Fire Service Stations for their swift intervention and assistance in quelling the situation. We appreciate everyone who reached out to us during the incident.

CWG Plc is dedicated to safeguarding the health and safety of its employees in all the locations/countries we operate in and will ensure we maintain the highest standards of same in this regard.
